

WARFARE SPECIALTIES

Naval Aviator

Whether a Naval Pilot or Naval Flight Officer, you will be trained to fly in the worlds most advanced aircraft to include the F-35, FA-18, EA-18G, E-2C, P-8, MH-60, and E-6. Land aboard Navy Aircraft Carriers or shore bases across the globe – plus lead the greatest Sailors in the world. Flight bonuses and flight pay are available.

Submarine Warfare

Attend Nuclear Power School and project power ashore and at sea while on the ocean's floor. Submarine Officers lead the most technologically advanced Sailors in the world. Nuclear bonus and pay are available.

Surface Warfare

Upon Commissioning, Surface Warfare Officers attend Basic Division Officer Course in San Diego, CA or Norfolk, VA then head straight to the fleet to lead sailors onboard the greatest warships in the world. Deploy across the globe and see various cultures and ports while deterring threats with United States Navy Sea Power.

Special Warfare

Navy Seals Upon commissioning, attend Basic Underwater Demolition School in Coronado, CA, then are assigned to a Seal Team where they deploy protecting America's interests worldwide.

Explosive Ordnance Disposal (EOD) Officers attend Joint Diving Officer School and EOD Basic School then deploy worldwide protecting personnel and property from explosive hazards.

Information Warfare

Upon Commissioning, Information Warfare Officers can be trained in Oceanography, Cryptology Warfare, Intelligence, Cyber Warfare or Maritime Space Operations.

Staff Corp

Although spots are extremely limited, transition options post commissioning are available for Medical, Dental, Judge Advocate General (JAG), Nurse, Supply, Chaplain and Civil Engineer Corps.

US Marine Corps

Aspiring Marine Corps Officers can branch between a ground, aviation, or cyberspace warfare contract upon commissioning or completion of The Basic School (TBS). Operate the most advanced technology in the world while serving in the most elite branch of service in the Department of Defense.

Hampton Roads Navy ROTC Consortium

We Develop Leaders

Men and Women who are mentally, morally, and physically ready to serve with honor, courage, and commitment as commissioned officers in the United States Navy and United States Marine Corps.

TEAM WARRIOR Building future LEADERS

Hampton Roads NROTC Consortium

Consists of the primary units - **Old Dominion University, Norfolk State University, and Hampton University.** Additionally, Old Dominion University is the host university for the two cross-town schools, **Regent University and Tidewater Community College.** There are between 150 and 175 midshipmen active in Warrior Wardroom, which is one of the largest units in the Nation. Additionally, we are located in the largest Navy Fleet Concentration Area, with easy access to the Atlantic Fleet, Master Jet Base at NAS Oceana, which houses all East Coast FA-18's, and Little Creek Amphibious Base home to our East Coast SEAL Teams. Hampton Roads NROTC Consortium continues to produce the greatest Officers in the Navy and Marine Corps.
