

PROGRAM GUIDE

EARTH AND ENVIRONMENTAL SCIENCES (BS)

RECOMMENDED COURSES FOR MAJORS PLANNING TO TRANSFER TO VWU

Students planning to transfer to Virginia Wesleyan University from a school within the Virginia Community College System (VCCS) should complete courses that will satisfy VWU's major requirements and facilitate timely degree completion. Courses in black are strongly recommended—students who do not complete these courses may require an additional year due to course sequencing issues. Courses in blue are encouraged—they would put students ahead by having additional courses completed toward the major.

Students who complete the Associate of Art or Associate of Science degree will satisfy all of the VWU general education program except for the junior/senior seminar (WES 300).

EARTH AND ENVIRONMENTAL SCIENCES (BS)

VWU COURSE	VCCS EQUIVALENT
BIO 130: Principles I: Evolution and Ecology	General Biology II
CHEM 120: Introductory	General Chemistry II
EES 131: Physical Geology with Lab	Physical Geology
EES 200: Oceanography	Oceanography I
CHM 221: Organic Chemistry I	Organic Chemistry I with Lab <i>(both courses must be completed to fulfill CHEM 221: Organic I)</i>

CHOOSE ONE (OR TWO) FROM:

MATH 210: Introductory Statistics	Statistics I
MATH 172: Calculus II	Calculus with Analytic Geometry II
PHYS 221: University Physics I	University Physics I

While all courses with passing grades are accepted as transfer credit, some major requirements include prerequisites for which a grade of "C" or better must be earned.
