Section 1 Introduction

1.1 Introduction

The Virginia Private Colleges Benefits Consortium, Inc. Health Plan (the “Plan”) shall be effective January 1, 2019. The Plan may be amended at any time, in whole or in part, by the Board of Directors.

The Plan has been approved by the Board of Directors of the Virginia Private Colleges Benefits Consortium, Inc. (“VPC Benefits Consortium”). The Plan is intended to meet the requirements of the Employee Retirement Income Security Act of 1974 (“ERISA”), and Section 501(c)(9) of the Internal Revenue Code of 1986 (“Code”) and the Regulations promulgated thereunder, as amended from time to time (“Section 501(c)(9)”). The VPC Benefits Consortium is authorized by Section 23.1-106 of the Code of Virginia, which allows certain institutions of higher education in the Commonwealth of Virginia to form a higher education benefits consortium.

This Wrap-Around Plan Document and any amendments and the attached Component Documents constitute the governing document of the Plan. This Plan is a multiple employer plan, designed and administered exclusively for the members of the VPC Benefits Consortium. Employees are entitled to this coverage if the provisions in the Plan have been satisfied. This Plan is void if Participant ceases to be entitled to coverage. No clerical error shall invalidate such coverage if otherwise validly in force.

The Board of Directors intends to maintain the Plan indefinitely. However, the Board of Directors has the right to modify the Plan at any time, and for any reason, as to any part or in its entirety, without advance notice. Likewise, the Board of Directors has the right to terminate the Plan at any time, and for any reason, upon 90 days’ notice to the Members. If the Plan is amended or terminated, the Participant may not receive benefits described in the Plan after the Effective Date of such amendment or termination. Any such amendment or termination shall not affect Participant’s right to benefits for claims incurred prior to such amendment or termination. If the Plan is amended, a Participant may be entitled to receive different benefits or benefits under different conditions. However, if the Plan is terminated, all benefit coverage will end, including COBRA benefits. This may happen at any time. If this Plan is terminated, the Participant will not be entitled to any vested rights under the Plan.

The Plan makes the following Component Benefit Programs available to its Members:

Vision Plan Program Options:

- Anthem Vision Plan (Component Document 1)
- UniView Vision Plan (Component Document 2)

Dental Plan Program Options: (Component Document 3)

- Delta Dental Low Plan - Prevention First
- Delta Dental High Plan - Prevention First
- Delta Dental Low Voluntary Plan - Prevention First
- Delta Dental High Voluntary Plan - Prevention First
- Delta Dental Low Plan - MaxOver
- Delta Dental High Plan - MaxOver

Each of the Component Benefit Programs is summarized in this document and in the attached Component Documents. Please contact the Plan Administrator if you need an additional copy of any of the Component Documents.

1.2 Purpose

The Consortium is providing this document to give you an overview of the Plan and to address certain information concerning the Component Benefit Programs that may not be addressed in the attached Component Documents.

Read All Documents. You must read this document along with the respective attached Component Document for each Component Benefit Program in which you participate to fully understand your benefits.

This document and the Component Documents constitute the PD and SPD required by the Employee Retirement Income Security Act of 1974 (ERISA), for the Component Benefit Programs to which ERISA applies. This document is not intended to give Participants any substantive rights to benefits that are not already provided by the Component Documents.

Component Benefit Programs hereunder are provided pursuant to an insurance contract or pursuant to a governing plan document adopted by the Consortium. If the terms of this Wrap-Around PD and SPD conflict with the terms of the Component Documents, then the terms of the Component Documents will control, unless otherwise required by law. This document, however, is the controlling document for Eligibility and Participation Requirements, which are described in Section 3.

The terms of this document are designed to incorporate important differences between the fully insured and self-funded Component Benefit Programs. Nothing in this document or any of the Component Documents shall be construed as to change the funding nature of any Component Benefit Program, such as transferring a fully insured Component Benefit Program into a self-funded Component Benefit Program.

You must enroll to receive benefits. You must actually enroll to receive benefits under this Plan, as explained in Article 3 on Eligibility. Some of these Component Benefit Programs require you to make an annual election to enroll for coverage. The details of such annual election are described in the Component Documents.

PERSON	DEFINITION	WHEN ELIGIBLE

The formula used for allocating the required Contributions between the Member and its Employees must be approved by the Board of Directors. The amount of the respective Contributions shall be set forth in notices from the Plan Administrator and may be changed from time to time by the Board of Directors.</p>
Part Time Employee	<i>See Glossary Definition</i>	A Part Time Employee must properly enroll in the Plan, continuously meet the requirements for eligibility and pay the required contributions on a timely basis, as described in this Section on Eligibility and Enrollment.
Eligible Retiree	<i>See Glossary Definition</i>	<p>If a Participant becomes an Eligible Retiree, such Participant may continue as a Covered Person subject to any limitations contained herein;</p> <p>An Eligible Retiree may continue as a Covered Person until the date the Eligible Retiree becomes eligible for Medicare;</p> <p>If an Eligible Retiree or an Eligible Retiree's Dependent spouse who was a Covered Person terminates participation in the Plan, such person may not become a Covered Person thereafter.</p>
Spouse	<i>See Glossary Definition of "Dependent"</i>	A Spouse will be considered an eligible Dependent from the date of marriage, provided the Spouse is properly enrolled as a Dependent within 31 days of the date of marriage.
Dependent Children	<i>See Glossary Definition of "Dependent"</i>	<p>Initial Enrollment. If the Dependent satisfies the definition of a "Dependent" in the Glossary, and if a Participant properly enrolls the Dependent within 31 days of the date of hire, the Dependent's Effective Date shall be the same day as the Participant's Effective Date. A Disabled Child must meet the definition of a Disabled Child and satisfy the requirements for Initial Enrollment of a Disabled Child, both contained in the Glossary.</p> <p>Later-Acquired Dependent. If a Participant, after initial enrollment, acquires a new eligible Dependent, the Participant may complete, sign and return an application to</p>

PERSON	DEFINITION	WHEN ELIGIBLE
Dependent Children		<p>the Plan Administrator within the period set forth in the Special Enrollee section. If the newly acquired Dependent(s) are enrolled within this period, the effective date of that Dependent's coverage is the first date in which the Dependent met the definition of Dependent.</p>
Spouse and Dependents of Eligible Retiree		<p>If an Eligible Retiree's Dependent is not a Covered Person on the day prior to the time the Participant becomes an Eligible Retiree, such Dependent may not thereafter become a Covered Person in the Plan unless the Dependent is a Special Enrollee;</p> <p>A Dependent spouse acquired by marriage or domestic partnership (where the Member has executed a Rider affording domestic partner coverage) after a Participant becomes an Eligible Retiree may not be a Special Enrollee;</p> <p>If an Eligible Retiree or an Eligible Retiree's Dependent spouse who was a Covered Person terminates participation in the Plan, such person may not become a Covered Person thereafter;</p> <p>Upon an Eligible Retiree's death or termination of participation due to eligibility for Medicare, any Covered Spouse and Covered Dependent may remain a Covered Dependent until the earlier of the date of such Covered Spouse's death or termination of participation due to Medicare eligibility. An Eligible Retiree's Dependent who is eligible for Medicare may not be a Covered Person in the Plan. If the Covered Spouse terminates participation due to death or eligibility for Medicare, or if no spouse is covered at the time of the Eligible Retiree's termination of participation, any Covered Dependent may remain a Dependent for the applicable period of Continuation of Coverage as set forth under COBRA.</p> <p>Upon the death or retirement of a Participant who is Medicare eligible and who, except for such eligibility for Medicare, would qualify as an Eligible Retiree, any Covered Dependents may remain a Covered Dependent on the same basis as the Covered Dependents of an Early Retiree who is terminating due to death or eligibility for Medicare; and</p> <p>If an Eligible Retiree terminates participation in the Plan for any reason other than for death or eligibility for Medicare, the Covered Dependents of such Eligible Retiree shall terminate participation in the Plan as of the Eligible Retiree's termination of participation.</p>

PERSON	DEFINITION	WHEN ELIGIBLE
<p>Special Enrollee</p>	<p>Later-Acquired Dependent. If a Participant, after initial enrollment, acquires a new eligible Dependent, the Participant may complete, sign and return an application to the Plan Administrator within the period set forth below. If the newly acquired Dependent(s) are enrolled within this period, the effective date of that Dependent’s coverage is the first date in which the Dependent met the definition of Dependent.</p> <p>Spouse Upon Marriage. A spouse will be considered an eligible Dependent from the date of marriage, provided the spouse is properly enrolled as a Dependent within 31 days of the date of marriage.</p> <p>Newborn or Adopted Children. Newborn and newly adopted children shall be covered for Injury or Illness from the moment of birth, adoption, or placement for adoption. Covered Expenses include the necessary care or treatment of medically diagnosed Congenital Defects, birth abnormalities or prematurity, provided the child is properly enrolled as a Dependent within 60 days of the child’s date of birth, adoption or placement for adoption. This provision shall not apply to or in any way affect the maternity coverage applicable to the mother.</p> <p>Siblings and Other Dependents Upon Birth or Adoption. If a Participant’s other Dependents are not Covered Persons, the Participant may enroll these other Dependents along with a newborn or adopted child as described in the subsection above. If the Participant enrolls the other Dependents within 60 days, the Special Enrollment Date and coverage shall become effective on the child’s date of birth, adoption, or upon placement for adoption.</p> <p>Loss of Alternate Health Coverage. A Participant or a Dependent who was previously eligible for coverage, but did not enroll because of alternate health coverage, may complete, sign and return an application to the Plan Administrator within the 31 day Special Enrollment Period following the Participant or Dependent’s loss of such other coverage (including coverage through the Marketplace) due to any of the following:</p> <p>Exhaustion of COBRA Continuation Coverage;</p>	<p>Initial Enrollment. If a Participant enrolls a Dependent within 31 days of the date of hire, the Dependent’s Effective Date shall be the same day as the Participant’s Effective Date.</p>

PERSON	DEFINITION	WHEN ELIGIBLE
Special Enrollee	<p>Loss of eligibility for such other coverage due to divorce, legal separation, death, termination of employment or reduction of hours of employment;</p> <p>Termination of Employer contributions; or</p> <p>Reaching the lifetime limit on all benefits under the Eligible Employee’s or Dependent’s prior plan.</p> <p>For a Disabled Child only, a significant cost increase of the Disabled Child’s coverage through the Marketplace will constitute a loss of coverage and thus a special enrollment right for the Disabled Child, provided that the child meets the definition of a Disabled Child and satisfies the requirements for Special Enrollment of a Disabled Child, both contained in the Glossary.</p> <p>Individuals who lose coverage due to nonpayment of premiums or for cause (e.g. filing fraudulent claims) shall not be Special Enrollees hereunder. Coverage for a Special Enrollee hereunder shall begin as of the day following loss of alternate health coverage, but not more than 31 days prior to the date the enrollment application is received by the Plan Administrator.</p> <p>Employees and Dependents who are eligible but not enrolled for coverage when initially eligible may become a Special Enrollee in two additional circumstances:</p> <ul style="list-style-type: none"> ○ The Employee’s or Dependent’s Medicaid or CHIP coverage is terminated as a result of loss of eligibility and the Employee requests coverage under the Plan within 60 days after the termination; or ○ The Employee or Dependent become eligible for a premium assistance subsidy under Medicaid or CHIP, and the Employee requests coverage under the Plan within 60 days after eligibility is determined. <p>Court Order or Decree. If a Dependent is acquired through a court order, decree, or marriage, that Dependent will be considered a Dependent from the date of such court order, decree, or marriage, provided that this new Dependent is properly enrolled within 31 days of the court order, decree, or marriage.</p>	

PERSON	DEFINITION	WHEN ELIGIBLE
Special Enrollee	Qualified Medical Child Support Order. A child may become eligible for coverage as set forth in a Qualified Medical Child Support Order (QMCSO). The Plan Administrator will establish written procedures for determining (and have sole discretion to determine) whether a medical child support order is qualified and for administering the provisions of benefits under the Plan pursuant to a QMCSO. The Plan Administrator may seek clarification and modification of the order, up to and including the right to seek a hearing before the court or agency which issued the order.	

3.1 Change in Status

The Plan allows election changes outside of Open Enrollment based on certain change in status events. The cafeteria plan of the Member governs whether a corresponding mid-year change is allowed to a Participant's pre-tax salary reduction election. Participants should refer to the Member's Plan document governing the cafeteria plan to determine whether pre-tax salary reduction elections can be changed for the following change in status events allowed under this Plan:

- When a change in contribution is significant, a Participant may either increase the contributions or change to a less costly coverage election.
- When a new benefit option is added, a Participant may change to elect the new benefit option.
- When a significant overall reduction is made to a benefit option, a Participant may elect another available benefit option.
- A Participant may make a coverage election change if the spouse or Dependent is covered as an Employee or Dependent under another employer plan and that plan incurs a change such as adding or deleting a benefit option; and
 - Allows a permitted mid-year election change; or
 - Allows election changes due to that Plan's annual Open Enrollment, which does not coincide with this Plan's annual Open Enrollment.

3.2 Participant's and Dependent's Termination of Participation

A Participant and Dependent's participation under the Plan shall terminate on the earlier of the following occurrences:

- The end of the month in which the Participant Terminates Employment with a Member; unless the Member is obligated to continue to make contributions on behalf of such Participant by terms of the employment agreement between the Member and the Participant including the Member's personnel manual;
- The end of the month in which the Participant loses his status as a Participant, or the Dependent loses his status as a Covered Dependent;
- The Plan terminates;

- While on an Approved Leave of Absence or Approved Sabbatical, the Participant becomes employed full time by another employer and is eligible for health benefits;
- The failure to pay required contributions. In such case coverage shall terminate on the last date for which the required contributions were paid, as determined by the Plan Administrator;
- Upon a Participant's death, any Covered Dependent may remain a Dependent for the applicable period of Continuation Coverage set forth in the Continuation of Coverage Section, provided that the Covered Dependent complies with the conditions therein; or
- For cause (i.e. fraudulent claims).

3.3 Open Enrollment

The Plan shall conduct Open Enrollment each Calendar Year. During Open Enrollment, Participants may make any of the following changes regarding participation in the Plan, subject to the other governing provisions of this Plan Document.

- Add Dependents not able to enroll during the Calendar Year as Special Enrollees or remove existing Dependents from coverage; and
- Change Plan options or such other changes as permitted by this Plan Document.

3.4 COBRA Continuation Coverage

If coverage for the Participant, the Participant's eligible spouse, or eligible Dependents ceases under the Component Benefit Programs because of certain "qualifying events" (e.g., termination of employment, reduction in hours, divorce, death, or a child's ceasing to meet the Plan's definition of Dependent) specified in a federal law called COBRA, then the Participant, the Participant's eligible spouse, or eligible Dependents may have the right to purchase continuing coverage under the Plan for a limited period of time. For more information, see the "COBRA" summary, a copy of which has been previously provided.

3.5 USERRA Continuation Coverage

Participants Have Rights Under Both COBRA and USERRA. Participant's rights under COBRA and USERRA are similar but not identical. Any election that Participant makes pursuant to COBRA will also be an election under USERRA. COBRA and USERRA will both apply with respect to the Continuation Coverage elected. If COBRA or USERRA gives Covered Persons different rights or protections, the law that provides the greater benefit will apply. The administrative policies and procedures for COBRA also apply to USERRA coverage, unless compliance with the procedures is precluded by military necessity or is otherwise impossible or unreasonable under the circumstances.

The Uniformed Services Employment and Reemployment Rights Act of 1994 ("USERRA") established requirements that employers must meet for certain Employees who are involved in the Uniformed Services. In addition to the rights that Participant has under COBRA, Participant is entitled under USERRA to continue the coverage Covered Persons had under the VPC Benefits Consortium. If any of the provisions concerning USERRA within this document conflict with the USERRA federal law, USERRA federal law shall govern.

Uniformed Services means the Armed Forces, the Army National Guard and the Air National Guard when engaged in active duty for training, inactive duty training, or full time National Guard duty pursuant to orders issued under federal law, and the commissioned corps of the Public Health Service and any other category of persons designated by the President in time of War or national Emergency.

Service in the Uniformed Services or Service means the performance of duty on a voluntary or involuntary basis in the Uniformed Services under competent authority, including active duty, active duty for training, initial active duty for training, inactive duty training, full time National Guard duty, the time necessary for a person to be absent from employment for an examination to determine the fitness of the person to perform any of these duties, and a period for which a person is absent from employment to perform certain funeral honors duty. It also includes certain duty and training by intermittent disaster response personnel of the National Disaster Medical System.

Duration of USERRA Coverage.

General rule 24 months maximum. When a Participant takes a leave for service in the Uniformed Services, USERRA coverage for the Participant (and Covered Dependents for whom coverage is elected) begins the day after the Participant (and Covered Dependents) lose coverage under the Plan, and it may continue for up to 24 months. However, USERRA coverage will end earlier if one of the following events takes place:

- Participant fails to make a premium payment within the required time;
- Participant fails to return to work within the time frame required under USERRA (see below) following the completion of Participant’s service in the Uniformed Services; or
- Participant loses rights under USERRA as a result of a dishonorable discharge or other conduct specified in USERRA.

Returning to Work. Participant’s right to continue coverage under USERRA will end if Participant does not notify the Employer of the intent to return to work within the time frame required under USERRA following the completion of Participant’s service in the Uniformed Services by either reporting to work (when absence was for less than 31 days) or applying for reemployment (if absence was for more than 30 days). The time for returning to work depends on the length of the absence, as follows:

Period of Absence	Return to Work Requirement
Less than 31 days	Report to work at the beginning of the first regularly scheduled work period following the end of service plus 8 hours or as soon as possible thereafter if satisfying the deadline is unreasonable or impossible through no fault of the Employee.
More than 30 days but less than 181 days	Submit an application for employment not later than 14 days after the completion of the service, or as soon as possible thereafter if satisfying the deadline is unreasonable or impossible through no fault of the Employee.

Period of Absence	Return to Work Requirement
More than 180 days	Submit an application for employment not later than 90 days after the completion of the service.
Any period, if the absence was for purposes of an examination for fitness to perform service	Report to work at the beginning of the first regularly-scheduled work period following the end of service plus 8 hours, or as soon as possible thereafter if satisfying the deadline is unreasonable or impossible through no fault of the Employee.
Any period if Participant was Hospitalized for or is convalescing from an Injury or Illness incurred or aggravated as a result of Participant's service	Apply for work or submit application as described above (depending on length of absence) when recovery is over, but recovery time is limited to two years. The 2 year period is extended by any minimum time required to accommodate circumstances beyond the Employee's control that make compliance with these deadlines unreasonable or impossible.

Concurrent. COBRA coverage and USERRA coverage begin at the same time and run concurrently. However, COBRA coverage can continue longer, depending on the qualifying event, and is subject to different early termination provisions. In contrast, USERRA coverage can continue for up to 24 months, as described earlier in this Section.

Premium Payments for USERRA Continuation Coverage. If Participant elects to continue health coverage pursuant to USERRA, the Participant will be required to pay 102% of the full premium for the coverage elected (the same rate as COBRA). However, if Participant's Uniformed Services leave of absence is less than 31 days, Participant is not required to pay more than the amount that Participant would pay as an active Employee for that coverage.

3.6 Family and Medical Leave

If a Participant is on a leave of absence under the Family and Medical Leave Act (FMLA), the Participant may continue coverage under a Component Benefit Program that is a health plan. Such coverage is subject to the FMLA and to the terms of the Component Benefit Program. Such coverage is also subject to the following conditions:

- The Participant must pay any required employee contribution; and
- The Participant must obtain written approval of leave from the Member.

Coverage will be continued for up to the greater of:

- The leave period required by the FMLA; or
- The leave period required by a similar state law.

If coverage is not continued during an FMLA absence, when the Participant returns to actively at work status, no new waiting period will apply.

Section 4 Plan Benefits Summary

4.1 Benefits

The Plan provides the Participant and the Participant's eligible Dependents with benefits under the Component Benefit Programs as set forth in Section 1 of this Wrap-Around PD and SPD.

4.2 Michelle's Law

A Dependent will not lose status as a Dependent while on a Medically Necessary Leave of Absence. A "Medically Necessary Leave of Absence" is a leave of absence from a post-secondary educational institution that:

- Commences while the Dependent is suffering from a severe illness or injury;
- Is medically necessary (as certified by the Dependent's physician); and
- Causes the Dependent to lose full time student status under the Plan.

Coverage may not terminate due to the Medically Necessary Leave of Absence until the earlier of:

- One year after the first day of the Medically Necessary Leave of Absence; or
- The date the coverage would otherwise terminate under the Plan.

(Section 4.2 may not be applicable due to ACA's age 26 Dependent coverage mandate.)

Section 5 Plan Administration

5.1 Plan Administrator

The Plan Administrator for the Component Benefit Programs of the Plan is identified in Section 2.

5.2 Power of Plan Administrator

Subject to the limitations of the Plan and any Component Document, the Plan Administrator will from time to time establish rules for the administration of the various Component Benefit Programs of the Plan and transaction of its business. The Plan Administrator will rely on the records of the Employer with respect to any and all factual matters dealing with the employment and eligibility of an employee. The Plan Administrator will resolve any factual dispute, giving due weight to all evidence available to it. The Plan Administrator shall have such powers and duties as may be necessary to discharge its functions hereunder, including but not limited to, the sole and absolute discretion to:

- Construe and interpret the various Component Benefit Programs of the Plan, except for the fully- insured Anthem and UniView Vision Component Benefit Programs, as this is a power of the insurance carrier;
- Decide questions of eligibility to participate in the various Component Benefit Programs of the Plan; and

Section 6 Circumstances That May Affect Benefits

6.1 Denial, Recovery or Loss of Benefits

The Participant's benefits (and, except in some cases in the event of the Participant's death, the benefits for the Participant's eligible spouse and eligible Dependents) will cease when Participant's participation in the Plan terminates. (See Section 3). The Participant's benefits will also cease upon termination of the Plan.

6.2 Rescission of Coverage

The Plan Administrator reserves the right to rescind coverage under the Plan if an employee, spouse or child becomes covered under this Plan or receives Plan benefits as a result of an act, practice or omission that constitute fraud or is due to the intentional misrepresentation of a material fact, both of which are prohibited by this Plan. Rescission is a cancellation and discontinuance of coverage, retroactive to the date the employee, spouse or child became covered or received a Plan benefit as a result of fraud or the intentional misrepresentation of a material fact. The Plan Administrator will provide at least 30 days advance notice to an employee, spouse or child of its intent to rescind coverage with an explanation of the reason for the intended rescission. The rescission shall not apply to benefits paid more than one year before the date of such advance notice. A cancellation or discontinuance of coverage is not a rescission if:

- The cancellation or discontinuance of coverage only has a prospective effect;
- The cancellation or discontinuance of coverage is only retroactive to the extent it is attributable to the timely failure to pay Premiums (including COBRA Premiums) toward the cost of coverage; or

The Plan and its individual Component Benefit Programs are intended to be permanent, but the Employer may at any time and without notice terminate the Plan or any individual Component Benefit Program in whole or in part.

7.3 Effect on Benefits

Except as may otherwise be provided by applicable law or the Component Documents, if the Plan or any individual Component Benefit Program is amended or terminated, the Participant may not receive benefits described in the Plan or in any individual Component Benefit Program after the effective date of such amendment or termination. Any such amendment or termination shall not affect a covered person's right to benefits for claims incurred prior to such amendment or termination. If the Plan or any individual Component Benefit Program is amended, covered persons may be entitled to receive different benefits or benefits under different conditions. However, if the Plan is terminated, all benefit coverage will end, including COBRA or other continuation benefits. This may happen at any time. If the Plan is terminated, covered persons will not be entitled to any vested rights under the Plan.

Section 8
No Contract of Employment

To the extent not otherwise specified in the applicable Component Document, any legal action for the recovery of any benefits or breach of fiduciary duty must be commenced within one year after the applicable Claims Administrator's claim review procedures have been exhausted.

9.7 Failure to File a Request

If the Participant fails to file a request for review in accordance with the claims procedures outlined herein and in the Component Documents, the Participant shall have no right of review and shall have no right to bring action in any court. The denial of the claim shall become final and binding on all persons for all purposes.

Section 10 Statement of ERISA Rights

10.1 Participant's Rights

Participants are entitled to certain rights and protections under ERISA. ERISA provides that all Plan Participants shall be entitled to the following rights:

10.2 Receive Information About Participant's Plan and Benefits

The Participant may examine without charge at the Consortium's principal office and at other specified locations, such as worksites, all documents governing the Plan, including insurance contracts, and a copy of the latest annual report (Form 5500 Series), if any, filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

The Participant may obtain, upon written request to the Consortium, copies of documents governing the operation of the Plan, including insurance contracts and copies of the latest annual report (Form 5500 Series) and updated SPD. The Plan Administrator may make a reasonable charge for the copies.

The Participant may receive a summary of the Plan's annual Form 5500, if any is required by ERISA to be prepared, in which case the Consortium, as Plan Administrator, is required by law to furnish each Participant with a copy of this summary annual report.

10.3 COBRA

The Participant may continue coverage for themselves, spouse, or Dependents if there is a loss of coverage under the Plan as a result of a qualifying event. The Participant, spouse, or Dependents may have to pay for such coverage. Review this Wrap-Around PD and SPD and the Component Documents on the rules governing Participant's COBRA continuation coverage rights.

10.4 Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan Participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefits plan. The people who operate the Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of the Participant and other Plan Participants and beneficiaries. No one, including Employer or any other person, may fire the Participant or otherwise discriminate against the Participant in any way to prevent the Participant from obtaining a Plan benefit or exercising his or her rights under ERISA.

10.5 Enforce Participant's Rights

If the Participant's claim for a welfare benefit is denied or ignored, in whole or in part, the Participant has a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps that the Participant can take to enforce the above rights. For instance, if Participant requests a copy of Plan documents or the latest annual report (Form 5500), if any, from the Plan and do not receive them within 30 days, the Participant may file suit in a federal court. In such a case, the court may require the Employer, as Plan Administrator to provide the materials and pay the Participant up to \$110 per day until the Participant receives the materials unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If the Participant has a claim for benefits, which is denied or ignored in whole or in part, and if the Participant has exhausted the claims procedures available to the Participant under the Plan, then the Participant may file suit in a state or federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if the Participant is discriminated against for asserting their rights, the Participant may seek assistance from the U.S. Department of Labor, or the Participant may file suit in a federal court. The court will decide who should pay court costs and legal fees. If the Participant is successful, the court may order the person the Participant sued to pay these costs and fees, if the Participant loses, the court may order the Participant to pay these costs and fees.

10.6 Evidence in Litigation

If the Participant files suit in a state or federal court, only evidence which was previously submitted during the claims or appeals process may be submitted. No new evidence may be submitted in court.

10.7 Assistance with Questions

If the Participant has any questions about the Plan, the Participant can contact Tim Klopfenstein at (540) 586-1803 or by mail at Virginia Private Colleges Benefits Consortium, Inc., P.O. Box 1005, Bedford, VA 24523.
