

# Day One

June 1st, 2015

Linda Ferguson presented a report to the board of the Virginia Professional Communicators Association. One of the featured speakers at [the conference luncheon](#) was VWC ASP alum Karen Corrigan, a healthcare marketer who spoke on brand journalism.

*Ben Dobrin* was given an 'Act of Service' award from [Virginia Beach Emergency Medical Services](#) for participation in specialized programs.

*Maynard Schaus* co-authored a paper in *Hydrobiologia*, entitled "[Water Quality Changes Following Nutrient Loading Reduction and Biomanipulation in a Large Shallow Subtropical Lake, Lake Griffin, Florida.](#)"

Iordanka Panayotova and 3 of her students participated in the Virginia Academy of Science's [annual meeting](#) at James Madison University. Iordanka was also a judge in the Junior VAS conference where Middle and High School students presented their scientific projects.

*Vivian Teter's* poem "[Caesura](#)" appears in the latest issue of *The Cortland Review*. A recording of her reading the poem accompanies the text. Additionally, two of Teter's poems were recently selected for inclusion in [The Poet's Almanac](#) app: "Unleashed" and "Breath Enough" which is the title poem of her forthcoming book.

Patty Clark and Jenny Erdmann presented at the Maryland/Delaware Library Association Annual Conference in Ocean City. Their presentation, *Librarians in the Huddle: Supporting Athlete Success On and Off the Field*, discussed their collaboration with the VWC Women's Field Hockey Team this past academic year.

David Dirlam and Monica Geist (Front Range Community College in Colorado) presented a webinar on [Creating and Using Developmental Rubrics](#) (pdf) for the Association for the Assessment of Learning in Higher Education.
